

Vermont Apple IPM Alert

Lorraine P. Berkett

January 4, 2012

Greetings,

The brochure for the **2012 Vermont Tree Fruit Growers Association Annual Meeting and Workshop** held in collaboration with the UVM Apple Program has been posted on the web at: <http://orchard.uvm.edu/uvmapple/industry/2012BrochureVTFGAMeetingAndWorkshop.pdf>

The event is on **Thursday, Feb. 16th**, at the American Legion Hall in Middlebury. The program has been approved for two pesticide recertification credits.

A **Registration Form** for the meeting has been posted at:

<http://orchard.uvm.edu/uvmapple/industry/2012VTFGAMembershipAndRegistrationForm.pdf>

Please send in your registration so that it is received by Feb. 3. This has two benefits -- you get a discounted registration rate and the correct amount of food can be ordered for lunch which helps in planning an enjoyable event.

The information is also being mailed to everyone for whom we have an address.

Hope you will be able to attend... Happy New Year !

Lorraine
